

HWDSB Partners - Social Media Communication for Safe Schools: Safe Schools: Bullying Prevention and Intervention Review Panel

The following materials are for your organization's social media platforms. Please include the graphics provided on our Resources page with your post and remember to tag the Safe Schools Review Panel on Twitter and Facebook!

Post #1

Have you experienced or witnessed bullying or its effects? Our community is invited to the Safe Schools Review Panel to share our thoughts on what schools should stop doing, start doing or continue doing as it relates to bullying. Register here: bit.ly/safeschoolsreview

Attached image options (retrieve from Resources page):

Post #2

Bullying is done on purpose and is a repeated, harmful and unwanted behaviour. If you have experienced bullying, you are encouraged to attend the Safe Schools Review Panel to explain how you think schools can challenge bullying. Register here: bit.ly/38XBrf3
