

Circumcision Contact List – November 2016

As a parent be sure you are making an educated decision. In the Canadian Pediatric Society article for parents “Circumcision” they state “After reviewing the scientific evidence for and against circumcision, the CPS does not recommend routine circumcision for newborn boys.” (CPS, 2004) <http://www.caringforkids.cps.ca/handouts/circumcision>

If you would like your contact information changed, added or removed please call the Hamilton Family Health Team at 905-667-4848. This list is available online at <http://www.hamiltonfht.ca/Provider/child-health>. Please ensure you are using the most up to date version.
